MEMORANDUM FOR THE RECORD

SUBJECT: Conversation with House Judiciary Staff

1. On 10 September 1985, I spoke with Arthur "Skip" Endres, Jr., Counsel, Subcommitee on Immigration, Refugees and International Law. I set up a meeting for Monday, 16 September, 1985 at 10:30 a.m. in his office with [redacted] STAT and myself to discuss the defector citizenship legislation.

2. He stated that he did not know whether Representative Mazzoli had read the transcript of the HPSCI hearing. He also stated that he had asked Bernie Raimo if he could review the unclassified answers to the post hearing questions posed by HPSCI but hadn't received an answer. I stated that most of those answers were in fact Agency views on the legislation and could be discussed at our meeting.
